To Whom It May Concern,

**Re: Child Welfare Tshwane – Our Sincere Appreciation**

On behalf of the Management and staff at Child Welfare Tshwane, we would like to thank you, at Deltamune, most sincerely for your abundant and heartfelt kindness in your regular, substantial monetary donations, made faithfully by yourselves in aid of our endeavours at Child Welfare Tshwane.

Your profoundly generous donations are truly appreciated with much gratitude, in that they contribute significantly towards meeting the continued needs we address daily, as related first-and-foremost to the vulnerable children and families we serve in our various communities, in addition to operational and staff costs incurred in rendering the said quality services. Due to your enormous generosity, faithfulness and devotion to our cause, we at Child Welfare Tshwane are able to offer consistent, continuous crisis intervention, legal protection and family preservation Social Work services to those in dire need within the Tshwane district.

Oftentimes one does not realise the depth of meaning one's contribution affords. To this end, we would like to acknowledge that, through your kindness, you are adding significant value in a powerfully meaningful way to the betterment of many lives. We assure you that your monetary donations have been, and will continue to be used wisely, transparently, and in accordance with need, most certainly making an enormously positive impact in developing and sustaining the lives of our children, their families and communities.

In a world oftentimes clouded by sadness and pain, your generosity of spirit reflects the "silver lining" as it were, and is a testament to the fact that goodness and love still prevail. Please be assured that we are truly appreciative of your support.

With much appreciation,
